

## You're Invited!

We need a few good volunteers for a post -holiday cleanup.

Keep Jacksonville Beautiful is partnering with the Beaches Sea Turtle Patrol for the annual after the party beach cleanup.

When: Tuesday, July 5<sup>th</sup> 7 a.m. – 9 a.m.

Where: Jacksonville Beach at Beach Boulevard at the ocean, Atlantic Boulevard at the ocean and 16<sup>th</sup> Avenue South at the Beach.

Why: For the past 32 years, BSTP and KJ B volunteers have prevented used fireworks, cigarette butts, fast food packaging, shoes and other items left behind by beachgoers from polluting the environment and endangering federally-protected sea turtles. Sea turtles and other aquatic life can easily be ensnared and injured by the debris.

Pre-registration is not required. Community Service certificates available upon request.

For more information, call Keep Jacksonville Beautiful at 255-8276.

Have a safe and happy 4<sup>th</sup> of July!
